Blood pressure, HbA1c, CPAP or similar reporting in person	Less than 1 hour	<b>\$50</b>
UX Feedback on a clinical or web-based tool	Less than 1 hour	<b>\$50</b>
UX Feedback on a clinical or web-based tool	More than 1 hour	<b>\$75</b>

## Notes:

1. The above are VCAB suggested payments for research encounters with Veterans.
2. These payments are intended to cover inconvenience and travel with an incentive to participate.
3. Pls might consider increasing compensation over time in proportion to the length of participation to reward Veterans' commitment to the study.
